

# HEART TALES THAT SKIPPED THE CRAZY

## MIRACLE... MAGIC... OR *MEDICINE?*

➤ **The heart attack that didn't happen.** A "little voice" saved Julie's life — and "Miracle K" cleared her arteries!

➤ **The dying heart that came back to life.** A shocking 'spark' ignited energy in Jack's heart. Now this 70-year is acting like a kid again!

➤ **Freddy let out a blood curdling scream** "NO...NO...NO — I want to live!" Then he got the gas — and in just minutes — BOOM! There was an EXPLOSION in his body...

➤ **The blood clot that mysteriously vanished.** A smelly cheese in Dr. Sumi's lunch dropped in a petri dish — and POOF — a blood clot *dissolved* right before his eyes!
